Dear applicant,

Thank you for your interest in working with us. The purpose of our scholarship program is to make our coaching programs accessible to people with financial circumstances that would otherwise prevent their participation. We do our best to accommodate all applicants but we are a small organization and can't guarantee everyone a scholarship.

Please answer the following questions in a separate document so you have as much space as you want to write your responses. Email your completed application to connect@apaththatfits.com and adrian@apaththatfits.com with the subject line "Scholarship Application." If you have any questions, please email us. Thank you for taking the time to complete this application. We look forward to reading your responses and getting to know you.

11. We offer one-on-one career and life coaching as well as the Career Pathfinder Group Coaching Program. Which coaching program(s) are you interested in receiving a scholarship for? Our ability to give scholarships is more limited for the one-on-one coaching programs than the Career Pathfinder Group Coaching Program but we will do our best to accommodate your preference.
12. Is there anything else you want to share about yourself?

Thank you for taking the time to answer these questions. We will review your application and let you know about next steps within a week.
